Priority review of completed nursing applications begins April 1. Applicants enrolled in participating 2+2 nursing programs must have all documentation submitted no later than April 1 if applying to begin the program in the fall. All other applicants will be reviewed on a space available basis for fall and alternatively for the spring semester. Review of completed applications will continue for both the fall and spring semesters as capacity allows.

- x To be considered for admission to the clinical portion of the program students must achieve a minimum cumulative grade point average (GPA) of 2.75 with preferred at 3.0.
- x Grade of C or higher required in each of the seven nursing prerequisite courses listed above and cumulative GPA of 2.4 or higher.
- x Ethics, with a grade of C or higher, must be completed prior to beginning the program.
- x Note: Cumulative GPA is calculated using all undergraduate college level course work.
- x Score 84% or higher on the Math Assessment level A exam (two attempts allowed).
