

ST. JOHN FISHER COLLEGE RETIREMENT PLAN

NOTICE OF RIGHT TO PARTICIPATE IN THE PLAN AND CONTRIBUTION LIMITS

Elective Deferrals. The St. John Fisher College Retirement Plan (the "Plan") allows eligible employees to save for retirement. If you are eligible to participate in the Plan, then you may elect to reduce your compensation by a specified amount and have it contributed to the Plan on a pre-tax basis as an elective deferral. Your taxable income is reduced by the elective deferral contribution so you pay less in federal income taxes (however, the amount you defer is still counted as compensation for purposes of Social Security taxes). Later, when the Plan distributes the elective deferrals and earnings, you will pay the taxes on those elective deferrals and the earnings. Therefore, federal income taxes on the elective deferral contributions and on the earnings are only postponed. Eventually, you will have to pay taxes on these amounts.

How do I elect to make contributions to the Plan?

The amount you elect to defer will be deducted from your pay in accordance with a procedure established by the Plan Administrator. You may elect to defer a portion of your compensation payable on or after your Entry Date. Such election will become effective as soon as administratively feasible after it is received by the Plan Administrator. Your election will remain in effect until you modify or terminate it.

If you are currently participating, you may want to change your amounts for the new Plan Year. You can increase or decrease your contribution or you can leave your amounts the same.

You can contact the Plan Administrator to obtain further information on how to make contributions to the Plan.

How much can I contribute?

Your total elective deferrals in any taxable year cannot exceed the lesser of 75% of your includible compensation or a

then you are responsible for providing the Plan Administrator wit
